The Ministry for Seniors and Accessibility and Retirement Homes Regulatory Authority released an updated [Retirement Home COVID-19 Visiting Policy](#). The changes to this policy will go into effect on December 11, 2020. **A full summary of the changes can be found [here](#).** The Ministry has aligned the escalation precautions for homes with the provincial COVID-19 Response Framework. Components of the Policy will be dependent on whether your local public health unit is in Green (Prevent), Yellow (Protect), Orange (Restrict), Red (Control) or Grey (Lockdown). A full list of each public health unit's current designation can be found [here](#). Please note that the Alert and High Alert categories will be replaced by the colour system when this policy goes into effect on December 11, 2020.
