

This retirement home is currently experiencing an outbreak of COVID-19.

If you are an essential visitor, you may still be allowed to visit the home. You will have to be screened every time you are on the premises and before entry. Essential visitors include those performing essential support services (e.g., food delivery, inspector, maintenance, or health care services, such as mobile X-ray or foot care) or a person visiting a very ill or palliative resident.

For everyone's protection, you must wear a mask or face covering for all outside visits. You must wear a surgical mask for all inside visits. You are required to bring your own face covering or surgical mask. You must wear this equipment at all times.

Please maintain physical distancing, where possible.

Our staff may advise you of additional requirements. You must follow their directions — for the safety of residents, staff, and you.
